**Characteristic** 3 Red Can Buoys Quick red Flashing Light.**British Admiralty Charts** 3179 - 3780**Position Fixing** Dredging International Co ( PPA rep. approval)      **Datum Set** WGS 84.**Details**

Due to Takreer CO. Berths expansion project in Ruwais area the entrance channel & turning area in front of the jetty was dredging to 15m depth below JD Chart Datum, So the 3 navigation buoys (BCT # 2 , 4 , 6) which marking the channel edge were shifted to the new dredging edge as above mentioned positions.
